

Dear colleague,

We are running a **CPD open day** on Thursday 8th November 2007 between 4 and 6pm and we are hoping to reach as wide an audience as possible for the event. It would therefore be helpful if you could forward on the following details to your professional contacts (copy and paste into a new e-mail).

If you have anyone who may wish to receive a hard copy of our flyer, please send their details and I will ensure it is sent out.

Many thanks for your help.
